

YOU'RE INVITED!

OPEN REHEARSAL WEEK

10 - 13 May 2021

We invite students to come along and join in one of our rehearsals, meet the conductors and watch the NSSWE students perform. There will be opportunity to chat with members of the NSSWE team and learn more about our program and how they can become involved. We will be providing a sausage sizzle and light refreshments.

ABOUT US

NSSWE is an extension wind ensemble program for students who have a high degree of proficiency playing woodwind, brass or percussion.

We bring young musicians together to create extraordinary music and build lasting friendships.
